Vintage cars a drive down memory lane

A VINTAGE car show was recently organised at RSL Care Tantula Rise Retirement Community at Alexandra Headland.

The event took place on the community's front yard, with more than 80 people attending.

"The show was a huge hit with the residents, families and staff. Residents were ecstatic to see the cars and reminisce over how the cars have changed," Lifestyle manager Mel Peka said.

The presentation was

organised by Les Allen, of the Veteran Car Club of Australia and Tantula Rise volunteer.

"We are very lucky to have a team of fantastic volunteers such as Les who always go the extra mile to make our residents happy," Mel said.

Residents from both the retirement living apartments and the residential care facility attended the event.

"The look on the residents' faces was priceless. They were so happy, curious and amazed by the cars," Mel said.
